

MARINE AGGREGATES IN CONSTRUCTION

Brighton i360

Source: Brighton i360

BACKGROUND

At 162 metres high, and with an observation pod rising to 138 metres, the i360 will be Britain's highest observation tower outside London.

At the foot of the tower will be a publically accessible building with a large beachside cafe with seating for more than 400 people; exhibition space focused on displaying work by local artists; a shop; and toilet facilities.

There will also be a dedicated hospitality suite with rooms available for private events.

Construction is underway and the i360 is expected to be open in Summer 2016.

CONSTRUCTION NOTES

Approximately 8000m³ of concrete will be used.

CONSTRUCTION CATEGORY

Structural concrete, piling

USAGE CATEGORY

Leisure
